ActivPanel i-Series is designed to start your digital classroom journey with high-quality, multi-touch flat panels from the world’s leading education company. Select from optional display computing, premium sound, and versatile mounting configurations as your classroom needs change over time.

Customizable Interactive Display For Immersive Learning

Simple to Setup with Lower Total Cost of Ownership
No need for calibration and expensive lamp replacements as required with projector-based systems. ActivPanel i-Series features infrared technology with an auto-calibrated, LCD display that maintains a bright image over a long service life.

Designed For Multi-User Interactivity
ActivPanel i-Series is a multi-user, 10-touch surface for collaboration offering touch and pen interactivity.

Classroom Lesson Delivery Software
Deliver interactive, multimedia lessons offline or online using your choice of Promethean’s educational software products. Both ClassFlow and ActivInspire software are free and come as standard with the ActivPanel. To learn more, visit PrometheanWorld.com/Software.
Flexible Configurations for the Classroom

Add-on powerful computing and Internet connectivity with the ActivPanel PC for Android for a tablet-like experience or ActivPanel PC for Windows for an all-in-one, large-format Windows experience.

Select from versatile mounting*, including a fixed wall mount, height-adjustable wall mount, height-adjustable mobile stand, and non-adjustable mobile stand.

Enhance your classroom audio with ActivSoundBar that provides deep bass and room-filling sound.

*Based on model and region as applicable
